

## Partnership Plan

**Partners in Education** is a collective effort of the Cobb Chamber, the Cobb County School District and the Marietta City School District that matches businesses and organizations with schools to provide extra funding, unique services and volunteer support.

The mission of Partners in Education is to enrich the learning experience of Cobb and Marietta City's students to help them develop a strong academic foundation, skills and core values that will benefit them in their community life and in a future career.

### II. Partnership Plan

**To be completed collaboratively by the partner and school representative**, the partnership plan should highlight the most significant activities planned as a result of the partnership. This document is a starting point for planning partnership activities and should not limit the activities of the partnership. Both parties should be aware that additional needs may arise. Please remember to include activities that the school can do for their partner.

This partnership plan is a one-year agreement. A new partnership plan should be completed to renew the partnership.
